P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office communication mailed on July 13, 2007, the appellant resubmits herewith a replacement section for the real party in interest. The revision did not result in a change in the pagination of the appeal brief and the replacement page can be inserted in the appeal brief without changing the page number of the remaining pages.

Therefore, appellant requests that the examiner reconsider and withdraw the grounds for non-compliance especially in light of appellant's revision in specific response to the examiner's request.

Respectfully submitted,

Date:
